A song is a musical composition intended to be performed by the human voice. This is often done at distinct and fixed pitches (melodies) using patterns of sound and silence. Songs contain various forms, such as those including the repetition and variation of sections. Written words created specifically for music, or for which music is specifically created, are called lyrics. "Mirrors" is a song recorded by American singer-songwriter Justin Timberlake for his third studio album, The 2020 Experience (2013). First conceived in 2009, the track was inspired by his relationship with Jessica Biel and the marriage of his grandparents. It is an eight-minute-long mid-tempo progressive soul and R&B ballad. Timberlake wrote and produced the song with Timothy ...
